

The accommodation is as follows:

- Main south facing bedroom with king sized bed and en-suite bathroom
- Second bedroom with twin beds and access to the second bathroom
- Modern fully equipped kitchen and comfortable lounge with TV. The apartment has WiFi
- Ideally the apartment would sleep four people, however there is a sofa bed if required.

The south/southeast facing balcony has a table with six chairs and two loungers. There is ample ground floor parking and the block benefits from a remote controlled security gate for vehicles and also a pedestrian access gate.

First floor apartment, the one with the blinds out, overlooking the pool. The lie of the land means you only need to climb 8 stairs to get to it.
